Subject: VFW Auxiliary Update on the Upcoming National Convention

On Thursday, May 6, the VFW National Council of Administration voted on and approved the decision to execute a business only, VFW National Convention in Kansas City, Missouri.

The vote came just one week after the VFW announced the impossibility of the event taking place at the Baltimore Convention Center in Maryland as originally planned due to the coronavirus pandemic. As a result, the VFW and VFW Auxiliary National Convention will take place July 31-August 3, 2021.

This remains a fluid situation and more information, including housing specifics and the Auxiliary tentative agenda will be made available as details are confirmed. VFW Auxiliary National Headquarters asks that VFW Auxiliary members who will receive expense money for travel are **not to make** any travel arrangements until they have received their updated travel authorization form later this coming week.

The VFW and VFW Auxiliary thanks everyone for their patience and flexibility as together we work to navigate these challenging times.
