

## HELP SOMEONE STAY WARM THIS WINTER

In Loving Memory of  
Dept. President Brenda  
Kinghorn's Brother  
BRYAN GEE  
Sept. 1950 – Dec. 2013

*Don't let our  
homeless suffer  
the cold this  
season.*

## ***WHAT CAN YOU DO??***

My Special Project is "Blankets for Bryan" named for my bother.

My brother was a homeless veteran, by his choice. December 2013, Oregon authorities found Bryan deceased. "Blankets for Bryan" was formed by my sister in California, to hand out blankets, socks, gloves, hats, etc. to the homeless.

I am asking the Auxiliaries around Arizona to help the homeless in their areas by collecting items and distributing them in their area to help the homeless stay warm this winter.
