

October 2025
Americanism Heather Lyn

Hello Arizona,

Now that our winter members are coming back, we have more members to help spread the word on our programs. Here are some upcoming holidays and events that are great opportunities to show patriotism in your Auxiliaries and community:

- *Veterans Day – November 11
- *Pearl Harbor Day – December 7
- *Wreaths Across America- December 13

Don't forget to use your hashtags and post pictures of the great events you have been and are going to be doing. Did your Auxiliary do a POW/MIA event or a Gold Star event? I look forward to seeing what ideas you all have come up with to honor those people and events.

And for all the Fact lovers like me, being it is October, did you know Halloween holds a special place in American culture? It is because it brings communities together- people of all ages can come together to celebrate creativity, fantasy and fun. People get to explore different personas through costumes, partake in traditions that span generations and celebrate all things spooky.

As always, I am here if you have questions or fun facts you would like me to share.
