

Legislative Newsletter - February  
Becky Baldwin

February ❤️ has been a strong month for advocacy, and our legislative efforts continue to build momentum. Like the ocean, legislative change doesn't happen in a single splash 🌊—it's the result of steady waves of action, timing, and persistence.

**VFW Legislative Conference – Washington, D.C.**

At the end of this month, we will be riding the wave 🌊 to Washington, D.C. for the VFW Legislative Conference, joining VFW and Auxiliary members from across the country to advocate directly for veterans, service members, and their families. Face-to-face meetings with lawmakers reinforced an important truth: veterans' issues rise when we show up together. 🤝 Each conversation added energy to the wave we're building toward meaningful legislative change.

**Turning Gratitude into Forward Motion**

Continue to send Thank You 🙏 cards for veterans that will include a QR code linking directly to Action Corps Weekly. This initiative turns appreciation into action—helping veterans and supporters catch the next wave 🌊 by staying informed and responding quickly to legislative calls to action. This is also the National Legislative Award, so do the most creative event write it up and send it my way!

Legislative work never stops, and neither does the tide of advocacy. Thank you for continuing to show up, speak out, and ride this wave together as we work to protect those who have served. 🌿

Together, we create the momentum for change.
