On behalf of the members of Sandy Coor Post No. 1433, Veterans of Foreign Wars, I am honored to extend a formal invitation for you to attend our 100th Anniversary Celebration, to be held on Saturday, March 28, 2026, at 9:00 am, commemorating the Post's founding on March 26, 1926.

For nearly a century, Sandy Coor Post No. 1433 has served as a cornerstone of service, patriotism, and community engagement in the Glendale area. Established by World War I veterans to ensure that those who served overseas would always have a voice at home, our Post has remained steadfast in its mission to support veterans, promote civic responsibility, and strengthen our local community.

Throughout its history, Post 1433 has provided meaningful support to veterans and their families through advocacy, assistance programs, and direct relief efforts. Our members have also maintained a strong commitment to local charitable initiatives, youth engagement, and partnerships with schools and civic organizations. In addition, the Post has long emphasized patriotic education—particularly through flag etiquette, flag retirement ceremonies, and public observances that honor our nation's history and the sacrifices of those who served.

Your presence would be a tremendous honor to our members and guests and would underscore the continued importance of supporting veterans and preserving the legacy of service organizations such as the Veterans of Foreign Wars.

Thank you for your continued service to our district and for your support of veterans and their families. We would be deeply honored to welcome you as part of this historic occasion.

Respectfully,

Jeffrey A. Eiler
