Scholarships Chairman

Greetings! I hope that you all had a wonderful and blessed Thanksgiving. Wither it was with family, friends or complete strangers.

Hopefully you have all had the opportunity to meet and congratulate your Voice of Democracy and Patriots Pen winners from your areas. Winter Conference will be very exciting to be able to showcase those that won. Remember, National President Lois Callahan will be visiting us then also.

How have you been doing with your promotions for Scholarships? Do you have any entries yet? Now is the perfect time to get this information out to as many kids as possible before they leave school for winter break. What better time for them to brainstorm and come up with their ideas.

When you are doing a membership drive or information booth, don't forget those quick snap QR codes that are available for those that maybe don't want to linger at your table but are interested in the information that you have.
