November Newsletter

Historian Media Relations

Paulette Marshall

I am again asking for those who have had Melissa Martin make her official visit or if you have been at any activities that she has been photographed in to please forward to me directly. Thank you so much for the continued support of our beautiful butterfly!

I also encourage you to continue making your Auxiliary history project. We remember those who came before us so we can be remembered by those that follow us.

“Please remember to check your 2026-2027 National Program Book for information on awards and deadlines, you can see it now when you log in to MALTA under Member Resources.”

As we are all rushing through the holiday season, remember that many of your activities are included in the Auxiliary Programs, please don’t forget to use your hashtags for your program chair and use the hashtag #AZ2627Media so I can easily find your reels and pictures.
